All India CSI-InApp Student Project Awards 2016

All India CSI-InApp Student Project Awards was established with the intention to recognize and promote students who demonstrate exceptional talent in developing software applications. This is the fifth year and we are inviting student teams to submit their original project work for consideration in the juried competition. The award is constituted by Computer Society of India – Trivandrum Chapter and sponsored by InApp Information Technologies.

Award Rules:

- 1 There is no fee for participation
- 2 The contest is open to all students studying B.E/B.Tech/MCA /M.Sc.Computer Science from affiliated colleges/Universities across India
- 3 Participation is open to teams and can have up to five members. The team members can be from any semester, but from the same Institution. There should be faculty member for each team as the Team Guide
- 4 Teams must submit a two page abstract of their project in a specified format, which can be downloaded from <http://csiawards.inapp.in/apply/>
- 5 The project must be an original work and the abstract must be certified by the Principal or Head of the Institution
- 6 The signed copy of the certified abstract should be send to csiawards@inapp.in on or before **5th March 2016**
- 7 The winners are decided based on two stage expert evaluation. The first stage evaluation of abstract is based on the project idea and its implementation prospects
- 8 The winners selected for final round presentation will be intimated by **12th March 2016** via email
- 9 The final stage of evaluation is the demonstration of the software project before the judging panel on **2nd April 2016**
- 10 All the project entries will be evaluated based on its operation, transition and revision capabilities
- 11 The decisions of the award evaluation committee will be final
